

RiverNorth Specialty Finance Corporation

Statement Pursuant to Section 19(a)

of the Investment Company Act of 1940

On February 26, 2021, the RiverNorth Specialty Finance Corporation (the “Fund”) paid a distribution of \$0.1523 per share to shareholders of record at the close of business on February 11, 2021. Under U.S. generally accepted accounting principles (GAAP), the Fund estimates that 62.74% of the distribution is attributable to current year net investment income and the remaining portion is attributable to return of capital.

The characterization of Fund distributions for federal income tax purposes is different from the GAAP characterization presented above. The determination of what portion of each year’s distributions constitutes ordinary income, qualifying dividend income, short or long term capital gains or return of capital is reported to shareholders on the Fund’s calendar year-end Form 1099-DIV.
