

RiverNorth/DoubleLine Strategic Opportunity Fund, Inc.

2023 Percentage of Income from U.S. Government Securities

Please see Important Disclosures below.

The following is intended to provide information on any applicable 2023 distributions. All of the information has been provided to the Internal Revenue Service. In addition to the tax information provided on your 1099-DIV statement, please find below supplemental information to assist you in the preparation of your 2023 income tax returns. Please consult your tax advisor for the specific application of any items below relating to the preparation of your tax returns.

Income from U.S. Government Obligations

Some states do not tax their residents on income that is earned from U.S. Government Obligations. The following table shows the percentage of total ordinary income dividends shown on your 2023 Tax Form that were attributable to interest earned from direct and indirect U.S. Government Obligations:

FUND NAME	TICKER	% OF ORDINARY INCOME ATTRIBUTABLE TO U.S. GOVERNMENT OBLIGATIONS			
		DIRECT	INDIRECT		
			GNMA [^]	FNMA [^]	FHLMC [^]
RiverNorth/DoubleLine Strategic Opportunity Fund, Inc.	OPP	3.47%	0.00%	3.37%	0.73%
RiverNorth/DoubleLine Strategic Opportunity Fund, Inc. - Preferred Shares	OPPPRA	3.47%	0.00%	3.37%	0.73%
RiverNorth/DoubleLine Strategic Opportunity Fund, Inc. - Preferred Shares	OPPPRB	3.47%	0.00%	3.37%	0.73%

Depending on your state's personal income tax laws, you may be entitled to declare the above portion of your 2023 ordinary income dividends as tax-exempt income on your state personal income tax return. However, some states do not allow the "pass through" of this exempt-interest income unless the percentage earned from U.S. Government Obligations exceeds certain thresholds or unless other requirements are met. Please note, the above referenced distribution does not satisfy the threshold requirements for the states of California, Connecticut and New York.

Please consult your tax advisor, or state authorities if you have any questions regarding the percentage of income you can exclude when calculating your state income tax.
